

I moved to Westbury with my wife and 2 children in 2016. With a background in construction I am refurbishing a house and shop in the Market Place and working for a social housing group as a surveyor. I currently sit on the HP&D, Finance, CCTV, Play Area and TIG committees. I am a member of West Wiltshire Vineyard church and enjoy ice skating in Swindon when I have a chance, the photo above shows me at my first 'learn to play' ice hockey.
