NEWS

Presentation by Riviera Travel

One of the Managers from Riviera Travel came and gave us give us a very interesting but informal talk and film show on their tours and river cruises on the 21st of October. We had arranged the room with 48 chairs and still had to find a few more, so thanks to all of you who came and helped us almost double our goal for attendance. When the presentation finished we had to re-arrange the hall so that we could serve the Supper. That was a challenge but as usual everyone got stuck in and very soon we were sitting down and enjoying some delicious quiches, salad and crusty bread prepared by our members. Thanks to all the cooks and those who helped, especially with the mountain of washing up.

Château du Loir visit 2018

The confirmed date for our visit to Château du Loir is from the Wednesday 25th of April until Monday the 30th of April. We will travel as we did in 2016, leaving early on Wednesday morning and stopping in a hotel for the night so we will all be bright and ready to go after breakfast on the Thursday. We are nearly at the number we need to cost the trip so if you haven't already let us know that you want to come please get in touch as soon as possible. The more we have the cheaper the price, so please ask around your friends, they may be interested.
