Presentation by Riviera Travel - Saturday 21st October

Riviera Travel will be coming to give us an "Informal yet informative presentation" on their tours and river cruises this Saturday, the 21st. The presentation will start at 7.00 pm so please arrive in good time, the hall will be open from 6.30 pm. The presentation will last until 8.30 pm and a light supper will follow. Please bring your own drinks. We have a record 44 people coming so thank you all for getting us beyond our targeted number. We will have a raffle, and the price for the evening will be £7. Please be aware that we are having trouble with the Hall car park being used by locals and you may have to either double park or use the Warminster Road car park, opposite the filling station, it is free to park after 6.00 pm.

Bring and Show - Saturday 18th November.

We have had a few offers of photos so far but still have room for more so if you have any interesting photos that could be put into a **short** film show please let us know. We suggest 12 photos/slides, perhaps you have some of really interesting places that you would like to share or anything else you think may be interesting to the rest of us. Or you may like to bring an interesting object with you to share. If so, please contact us so that we can organise a programme for a bring and show evening.

More details about this evening will be in the next Gemini.

Sad News

We heard just recently that John Witton has died. He had been ill for some time and died peacefully at home in Flée at the beginning of October. John and Pamela were with the very first small group to visit Westbury when we were in the process of forming the Twinning. A card has been sent on behalf of Twinning.
